

## For seams that last a fabric's lifetime.

UV- and weather-resistant
Colourfast, non-staining
15 years guarantee

GORE® TENARA® Sewing
Thread puts an end
to ruptured or broken
seams of boat covers,
bimini tops, sprayhoods
and other marine fabrics. Unlike convention-

al threads, it maintains the strength of the seam even after prolonged exposure to UV rays, salt water, cleaning chemicals or rain. GORE® TENARA® Sewing Thread is guaranteed to last for the life of the fabric.
